

Roman Blinds Information Blinds

This contemporary, elegant blind provides sophisticated style which is sure to enhance any room in your home. Roman Blinds are a modern, contemporary alternative to Curtains, without coming into your room like Curtains.

The Roman blind offers insulation without taking up a lot of valuable space in your home. With an extensive range of fabrics to select from you are sure to find the right one for your home.

All of our Roman blinds are custom made, to suit your windows and requirements. Custom made Roman Blinds have numerous style variations and combined with today's beautiful fabrics and trims, we can custom make Roman Blinds to suit any decor. They are so practical and the options endless, with stunning results.

With the option of translucent, light filtering fabrics in various tones and textures that will gently filter in that harsh summer sun. With blackout fabrics for your light and privacy control, we are sure you will find the Roman blind fabric to suit your needs!

With Roman Blinds you also have the added option of timber battens, to create a stylish feature in woodgrain, or painted, finish.

If you can't find the fabric for you in our select range of Roman fabrics then we have the solution for you. Along with our select range of Roman fabrics we also have the option of taking a curtain fabric from our extensive range and making your Roman from that. This creates an elegant, person feel with a unique Roman blind in your home, it is sure to create that WOW factor. Roman Blinds are a perfect finishing touch to any home.
