

Vertical Blinds Information Blinds

Vertical Blinds are always a popular window covering with great light control and privacy, they are simple to clean and maintain, with maintenance costs being minimal. The Blind Man Company provide chain free Vertical Blinds, that are a popular solution for homes with small children and pets.

Vertical blinds offer a sleek simplicity to your home. With the new track profile available and the chain free Vertical Blades these blinds can offer a modern look with the benefits of light and privacy control. These blinds are made to suit any home, we are sure to find the style for you.

With Light Filtering & Block out fabrics to select from, in 89mm or 127mm wide blades, to suit any window application. Experience the slimline tracking system, with wand or cord and chain control.

We also have P.V.C Curvicals as another alternative to the more classic Vertical blind. With a selection of neutral colours and textures, you will find the style for you.

Both our Verticals and Curvicals are easy to clean and low maintenance blinds, best suited for sliding doors or any windows that are opened often.

For child safety purposes we fit a cord tensioning device on all blinds with long cords that could cause harm. These are installed to all properties to ensure the safety of your children.
